This body of delegated political dom continued in session all night. The crowd of curious people seemed to increase as the hours wore on. They swarmed about the lobbies and corridors, or whirled in eddies or down in streams, choking, at times, about the doorways; while looking at the galleries from th floor, one saw humanity banked up, as it were, on all sides. I am sorry to write that the scenes, as

far as law-making is concerned, were not creditable. The effects of stimulants were evident. This working all day and tageous. The wearled members seek through drink to keep thems lver up to the tedious detail. Liquor was, at one time, banished the premises. But it has erept back, and last night the result was painfully spparent. The Senate was, if anything, worse than the House. The istration, as positive evidence that the nominee was unfit for the place; and if he, Grant, would do all in his power to Col. Taylor and Gen. Michier. The latter was constituted, as the officer in charge of public buildings, master of and of course no work has been done, this body went into executive session, last night, I believe the Senate was in a condition to do any folly or injustice.
